Why Choose “US”?

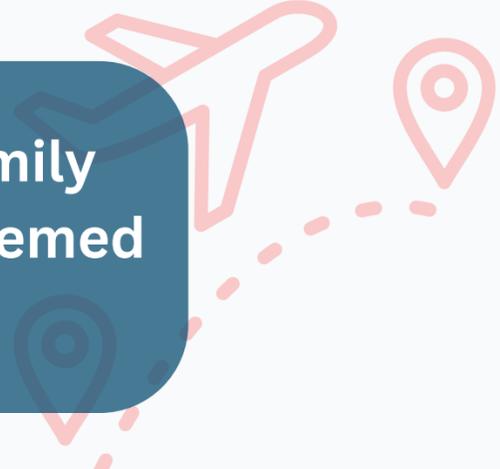

At HealthTravo, we believe true partnerships go beyond business. Here’s why offshore partners, diplomats, and delegates trust us:

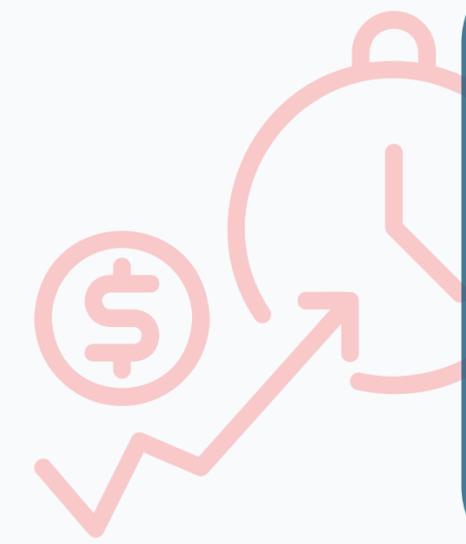

Lightning-Fast Response to Queries

Transparent Patient Treatment Tracking

Exclusive Yearly Family Packages for our esteemed partners

Long-Term Relationship Benefits

To foster strong bonds, we offer exclusive perks like invitations to lunch/dinner parties, special gifts, and celebration events.

Attractive Referral Programs

We believe success should be shared! Our referral rewards make collaboration even more rewarding for our partners.

Custom Partner Portals

We provide partners with a dedicated dashboard to easily manage and track patient referrals upon the launch of the application or web portal.

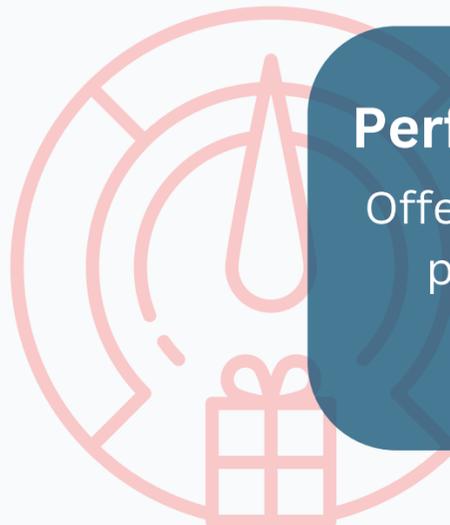

Co-Branding Opportunities

Allow exclusive partners to co-brand patient kits, travel essentials, or visa documents—building mutual visibility.

Performance-Based Rewards

Offer milestone-based bonuses for partners who achieve certain patient referral numbers.

Partner Training Sessions

Invite offshore partners for annual strategy sessions or workshops in India —adding knowledge and bonding.

Patient Journey

At **HealthTravo** the systematic and transparent process is carried out in three stages for a patient. From the Consultation to the Departure, the patients are assured of the best facility!

STAGES OF PATIENT JOURNEY:

- Accommodation
- Facility interpreters - 24x7
- Procedural Nursing
- Prescription Management
- Health Record Management
- Post Treatment Consultation
- Regular Follow-Ups
- Medicine Fullfilment
- Relieving Documentation
- Second Opinion
- Doctor Accessibility to Clear Doubts
- Finding Best Doctors and Hospitals
- Medical Visa Allowance

Our Patients

Our Patients and Their Experience

Ahmad Hasan

Treatment- Lung Cancer

Seeking treatment options in India due to lack of support at home, the user found HealthTravo online. The team provided quick and efficient support, expressing gratitude for their assistance.

Ekabala Patricia

Treatment- Cerebral Palsy

I am from Congo and was diagnosed with cerebral palsy. I sought treatment in India with the help of HealthTravo, receiving excellent support and care. Grateful for the opportunity to access quality healthcare in India and hope for continued support for others in need.

Akifa Durka

Treatment- Breast Cancer

When faced with inadequate health facilities in Sudan, HealthTravo provided hope and support for treatment in India. The experience was daunting but with a dedicated team of doctors, interpreters, and HealthTravo members, the treatment and recovery were successful. The narrator expresses gratitude and blessings towards everyone involved.
